Cadarnhaodd y Clerc bod y wefan nawr yn weithredol, a bod Cyngor Cymuned Llangadog bellach wedi cymryd perchnogaeth o 4 Ionawr 2023 ymlaen.

5112/23 – Cllr Dafydd Morgan – Congestion within village and surround area. Further discussions were had about the ongoing congestion within the Village due to diversions from the A40 onto the A4069 during any incidents / road works. Cllrs agreed that the A4069 is no longer acceptable to be used as a diversion due to the amount of traffic and large vehicles which causes major gridlock and damage to road surfaces in the area. There is also currently no weight restrictions for the Bran Bridge, which is currently being assessed by CCC to progress with structure repair work, as it is has become fragile. It was also suggested that when a diversion is in place due to an incident on the A40, there should be some form of policing to reduce the gridlock in and out of the village. It was agreed that a letter to be sent to Chief Executive CCC to raise the issues. Clerk to draw up a draft letter to be approved by Cllr Haulwen Booth before sending directly to Chief Executive.

County Cllr Andrew Davies also confirmed that if there any policing issues / concerns within the area, that they can be sent to him directly to bring up at the local community police meetings that take place remotely on a monthly basis / Y Cyng Dafydd Morgan – Tagfeydd o fewn y pentref a'r ardal o amgylch. Cafwyd trafodaethau pellach am y tagfeydd parhaus o fewn y Pentref oherwydd dargyfeiriadau o'r A40 i'r A4069 yn ystod unrhyw ddigwyddiadau / gwaith ffordd. Cytunodd y Cynghorwyr nad yw'r A4069 yn dderbyniol bellach i gael ei ddefnyddio fel dargyfeiriad oherwydd faint o draffig a cherbydau mawr sy'n achosi tagfeydd ofnadawy a difrod i arwynebedd ffyrdd yr ardal. Nid oes cyfyngiadau pwysau ar Bont Bran, sydd ar hyn o bryd cael ei hasesu gan y CS er mwyn symud ymlaen gyda gwaith atgyweirio strwythurol, gan ei bod wedi mynd yn fregus. Awgrymwyd hefyd, pan fydd dargyfeiriad ar waith oherwydd digwyddiad ar yr A40, y dylid cael rhyw fath o blismona i leihau'r tagfeydd i mewn ac allan o'r pentref. Cytunwyd anfon llythyr at Prif Weithredwr y CS i godi'r materion. Y Clerc i lunio llythyr drafft i'w gymeradwyo gan y Cynghorydd Haulwen Booth cyn anfon yn uniongyrchol at y Prif Weithredwr.

Hefyd, fe gadarnhaodd y Cynghorydd Sir Andrew Davies, os oes unrhyw faterion plismona / pryderon o fewn yr ardal, y gellir eu hanfon ato'n uniongyrchol fel y gall eu codi yn y cyfarfodydd heddlu cymunedol lleol sy'n digwydd o bell yn fisol.

5113/23 - Cllr Haulwen Booth – BUTE Energy Windfarm. Concerns were raised about the proposed plan to by BUTE Energy to build a 36 turbine wind farm at Nant Mithil in the Radnor Forest. There is an implication that a possible route for the 132kV line (ie 6 arm steel latticed pylons) may come down through Cynhordy towards Llandovery and proceed further down the Tywi Valley. County Cllr Andrew Davies informed that Rachel Evans, Countryside Alliance is organising a public meeting, along with other community focus groups for members of the public to attend. County Cllr Andrew Davies to inform Cllrs when meeting is taking place. It was suggested that all Cllrs should attend this meeting / Y Cyng Haulwen Booth – fferm wynt BUTE Energy Cafodd pryderon eu codi am y cynllun arfaethedig gan BUTE Energy i godi fferm wynt 36 o dyrbinau yn Nant Mithil yng Nghoedwig Maesyfed. Mae goblygiad y gall llwybr posib ar gyfer y llinell 132kV (hy 6 peilonau 'arm steel latticed') ddod i lawr drwy Gynhordy tuag at Lanymddyfri ac ymhellach i lawr Dyffryn Tywi. Dywedodd y Cynghorydd Sir Andrew Davies fod Rachel Evans, Cyngor Cefn Gwlad yn trefnu cyfarfod cyhoeddus, ynghyd â grwpiau ffocws cymunedol eraill er mwyn i aelodau'r cyhoedd fynychu. Cytunwyd cysylltu â Adran y Priffyrdd gan nad yw'r gwaith o ail-wynebu wedi'i gwblhau yn foddhaol. Y Clerc i gysylltu â Mr Stuart Quick i fynegu ein pryderon.

Mae cwyn wedi ei ddanfôn i'r CS ar sawl achlysur ond hyd yma nid oes diweddariad na gwaith wedi'u cwblhau. Cytunodd y Cynghorydd Sir Andrew Davies i barhau i fonitro'r sefyllfa gyda'r CS.

5118/23 – Commemorative Woodland at Brownhill – email received with update on the Woodland at Brownhill which has been read by all Cllrs. No further action required on this issue / Coetir Coffa yn Brownhill – derbyniwyd e-bost gyda'r wybodaeth ddiweddaraf ar y Coetir yn Brownhill sydd wedi'i ddarllen gan bob Cyng. Nid oes angen gweithredu pellach ar y mater hwn.

5120/23 – Cllr Dafydd Morgan requested that due to the issue with bad weather and lack of gritting in surrounding areas, CCC need to be contacted to request the locations of areas where grit bins are currently located in Llangadog, Gwynfe and Bethlehem. It was agreed that more grit bins are required as many surrounding areas do not get gritted due to their location. County Cllr Andrew Davies to put forward request to DSU / Gofynnodd y Cyng Dafydd Morgan a ellir cysylltu â'r CS i ofyn am leoliadau ardaloedd lle mae biniau graeanu yn Llangadog, Gwynfe a Bethlehem. Cytunwyd bod angen mwy o finiau graeanu gan nad yw llawer o'r ardaloedd cyfagos yn cael eu graeanu oherwydd eu lleoliadau. Y Cyng Sir Andrew Davies i gyflwyno cais i DSU.

5121/23 – Cllr Dafydd Morgan informed that the Rugby Club are looking into “Green Projects” to find alternative energy sources ie solar panels and if there would be support from the Community Council to fund such projects. 5123/23 – Planning Permission 23/21733/FUL Development of a forest school well-being centre running small scale nature connection craft workshops for a variety of clients. Cllrs agreed that as the only access to the proposed application was the main road, A4069, this would not be a suitable location due to the high volume of traffic and the poor visibility where the development is proposed. Clerk to email Brecon Beacons with objection / – Caniatâd Cynllunio 23/21733/FUL Datblygu canolfan llesiant ysgol goedwig sy'n rhedeg gweithdai creffttau natur ar raddfa fach ar gyfer amrywiaeth o gleientiaid. Gan mai'r unig fynediad i'r cais arfaethedig oedd y brif ffordd, A4069, cytunodd y Cynghorwyr na fyddai hwn yn lleoliad addas oherwydd nifer uchel o draffig a'r

diffyg gweladwy naill ochor i'r fynedfa lle y bwriedir y datblygiad. Y Clerc i anfon e-bost at Fannau Brycheiniog gyda gwrthwynebiad.
